Title of the drama: The Mysterious Power of a Boy

Beginning (the boy finds out he has the power to teleport anything he touches)

Abbie: (School bell ring sound effect “*ding dong ding dong*”)

(pause for 2 seconds)

Kaman : Whoa... Did you do it – did anyone do it? I sure didn't!.

Ari: I don't want to point fingers but I swear Barry was walking towards the door just a second ago.

Barry: Yea I touched the handle, but that doesn't explain how the door just disappeared!

Kaman: Wait...Oh my god!!! Bro, look out the window! In the school swimming pool!(points finger)

Ari: Is that... the classroom door? How did the door get from here to the middle of the school swimming pool?

Kaman: Ok what is going on? Barry, what did you do?!

Barry: Hang on! Why do you always think it has something to do with me?!!

Kaman: um... because it's ALWAYS something to do with you? Remember that time when you broke the vase at home, or that time you accidentally let the dog out, or that time when you...

Barry: (interrupts Kaman) Alright alright! I get your point! Hm... ... Ari, give me your pen, the huge purple one.

Ari: Ermm...Why???

Barry: Come on.. Just trust me.

Ari: Fine, Barry. Here you go.

Zena: (Teleporting sound effect - *shiuuuu*)

Ari, Kaman: (shocked face) Whoa!

Kaman: What?! Ari, your pen's on top of the door in the swimming pool!

Ari: So it was you, Barry. You can teleport anything you touch! But how?? (confused face)

Barry: (sarcastically) You see guys, I'm actually Superman's relative... ! Look, it doesn't matter how I got my superpowers, what matters is what I'm going to do with it next!

Ari: Let's all calm down and not do something we'll regret... oh no... here comes Freddy!

Freddy: So Barry, you and your stupid friends threw the door on me while I was swimming? Do you see this bump on my head? (points to his head)

Kaman, Barry and Ari: (laughing)

Freddy: Why are you guys laughing at me? You think this is funny? Come on Barry, tell the truth or you know what will happen to you. Did you do it?

Ari: No, he didn't. Just because you are big doesn't mean you can bully him.

Kaman: Yes Freddy! You might want to go to the medical room and have your bump checked!

Freddy: You don't get to tell me what to do! Wait, is it 2 o'clock already? Barry, where's your English homework? I haven't done it yet. Give it to me right now!

Barry: Hey! Stop it! Let go of my school bag !

Zena: (Teleporting sound effect - "*Shiuuu*)

Freddy: Wait, what just happened? (continuously blinks his eyes) How did your school bag just disappear?

Ari: Barry just teleported it to somewhere you won't be able to find.

Freddy: Ha! Nice try. I know a dumb magic trick when I see it you nerds. Where are you hiding it?

Kaman: Don't be silly Freddy! This is no magic trick. Clearly the gods above gifted Barry with superpowers!

Barry: Look Freddy, you're just going to tell the teacher that you haven't finished your homework.

Freddy: Hand. Your. Home. Work. Over. Barry. Right. Now! (voice gets louder and louder for each word)

Ari:He can't give it to you, Freddy! His homework is literally gone into god knows where!

Freddy: YOU ARE GIVING ME YOUR HOMEWORK IN 3 SECONDS OR ELSE I'M COMING TO PUNCH YOU! 3...2...1! THAT'S IT!

Zena: (Teleporting sound effect - “shiuuuuu”)

Kaman: Barry... did you just... teleport Freddy?

Barry: Guess so? (shrugs) Oh well, who knows where he ended up so bye Forever Freddy....!

Ari: I wonder where Freddy is now...

Freddy: (play the animal sounds)(looks around) What the heck? This isn't the classroom? Where am I? Omg... is that... An elephant? A zebra? A LION?! HAKUNA MATATA?! OMGGGG GET ME OUT OF HERE RIGHT NOW!
